

JOIN US FOR CULTURE NIGHT

THIS CULTURE NIGHT WE HAVE A RANGE OF EXCITING ACTIVITY FOR YOU INCLUDING:

1. ICONOGRAPHY EXHIBITION

Come, marvel at the skills and dedication of some of Ireland's home-grown icon painters. Using ancient painting techniques, the icons on exhibition have been executed by members of the Association of Iconographers Ireland - both experienced and relative beginners. Join in conversation around this little-known art-form being undertaken in Ireland - North, South, East and West. Who knows, you might be inspired to take up a brush and join them in the future.

2. HERITAGE & ARCHIVES CENTRE DIGITISATION PROJECT

An exhibition of the life and work of the Doheny Brothers, Spiritan priests who made a lasting impression both here at home and overseas. This collection of files, papers and photographs of the Frs Michael and Kevin comprises a varied body of items: letters, reports, surveys, maps, country profiles and miscellaneous photographic material, running to thousands of items. The collection is going to be digitised and the exhibition deals with this exciting process.
